**BASIS OF BIDS REQUIRED:**

Bids shall be on a unit price basis.

**Bids will be selected based upon the combined total of Base Bid No. 1.**

**PROJECT SCHEDULE:**

The starting date for work under this contract shall be at the discretion of the Contractor, subject to the following:

- Preconstruction meeting as arranged by the Utility Engineer.
- Issuance of the Notice to Proceed by the Utility Engineer.

**Project Milestone Dates:**

South Howell Avenue (STH 38) Water Main Relay Dates of Importance:

South Howell Avenue (STH 38) Water Main Relay water main work shall not begin before **March 24, 2014.**

Substantial Completion Date: **June 6, 2014**

Final Completion Date: **June 14, 2014**

It shall be understood by the Contractor that the date of starting construction and the date of completion of the work to be done hereunder are essential conditions of this contract, and it is further understood and agreed that the work shall be commenced as aforementioned.

Contractor agrees that the work shall be pursued regularly, diligently, and uninterruptedly at such rate of progress as will assure completion of the work on the dates as stated in the proposal.

**Special Work Time Restrictions:**

Coordination of Work timeframes shall be coordinated and approved by the Utility prior to performing this Work.

Contractor shall complete the work in accordance with the phasing order set forth in the traffic control plans, commencing with the main between Stations 0+00 and 0+43, and completing the two connections at the intersection of E. Groveland Drive and S. Howell Avenue.

Water main crossings constructed perpendicular to the centerline of S. Howell Avenue shall commence with that located at Station 9+97.08 to maintain fire protection to industrial customers. Subsequent crossing construction can be phased at the contractor's option.

**EXTENSIONS OF TIME**

Extensions of time may be allowed by the Utility for reasonable delays due exclusively to causes beyond the control and without the fault of the Contractor including but not restricted to owner purchased material delivery delays, extra work or supplemental contract work added to the original contract, fires, strikes, unusual floods, accidents and unreasonable delays in receiving ordered materials and equipment.

It should be understood by the Contractor that rain events occur and fluctuate from year to year and shall not be considered cause for a time extensions.

All requests for extensions of time shall be presented in writing to the Utility Engineer within ten

calendar days after the occurrence of the claimed delay, accompanied by all necessary supporting data, and, if based on valid grounds will be considered by the Utility and such extensions of time shall be granted as may seem to be fair and reasonable.

However, no claims will be considered when based on delays caused by conditions existing at the time bids were received and of which the Contractor might be reasonably expected to have knowledge at the time of bidding, or upon delays caused by failure on the part of the Contractor to anticipate properly the requirements of the work contracted for as to the securing of needed materials, labor and equipment.

**EXAMINATION AND DISTRIBUTION OF DOCUMENTS:**

Bidding documents may be obtained at the Oak Creek Water and Sewer Utility Website at: [www.water.oak-creek.wi.us](http://www.water.oak-creek.wi.us) under the "Public Contracts" section after **Thursday, February 13, 2014**.

**BID SECURITY:**

Bids shall be accompanied by Bid Security made payable to Owner in an amount of five (5) percent of Bidder's maximum Bid Price in the form of a Bid Bond, certified check, or cashier's check.

**PUBLIC CONTRACT REQUIREMENTS:**

Procurement of the work and the award of the contract will be in accordance with the provisions of Wis. Stat. S.62.15, S.66.0901, S.66.0903 and S.779.16.

Bidders shall comply with prevailing wage rates, hours of labor and hourly basic pay rates for each trade or occupation established in accordance with S.66.0903 Wisconsin Statutes for this work. This information is on file in the Office of the Oak Creek Water and Sewer Utility and is bound into the Bidding Documents.

**EQUAL OPPORTUNITY** The Oak Creek Water & Sewer Utility hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the ground of race, color, sex, or national origin in consideration for an award.

**BID REJECTION** The Oak Creek Water & Sewer Utility Commission reserves the right to reject any and all bids, waive any informalities in bidding, or to accept the bid or bids, which best serves the interest of the

Utility.

**BID WITHDRAWAL** No bid shall be withdrawn for a period of 30 days after the scheduled opening of the bids without the consent of the Oak Creek Water & Sewer Utility Commission.

**CONTRACT SECURITY:**

Bidder awarded a contract for the Work shall be required to furnish a Performance Bond and a Payment Bond in the full amount of the contract price.

**CONTRACT AWARD:**

Owner reserves the right to postpone the award of the Contract for a period not exceeding 30 days from the date of bid opening. Bids shall remain firm for that period of time.
