

NOTICE TO ENGINEERING CONSULTANTS REQUEST FOR PROPOSAL

The Oak Creek Water & Sewer Utility hereby gives notice that statements of qualifications, in conjunction with a request for proposal, will be received by Sally Galewski, Utility GIS Coordinator, Oak Creek Water & Sewer Utility, 170 W. Drexel Avenue, no later than **9a.m., Friday, September 25, 2015.**

The work, officially known as the GIS Optimization Project, consists of performing a thorough review of current GIS practices, data structure, and to assist Utility staff in implementing procedures to improve the efficiency and performance of the system.

The Oak Creek Water & Sewer Utility notifies all consultants that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit proposals in response to this invitation, and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for an award.

The Water and Sewer Utility Commission reserves the right to reject any and all proposals.
